Fethiye, Ancient Tlos and Saklikent

Fethiye is an old city, though the name has changed during a time span of more than 2.000 years, she remains a thrilling experience of some of the best shopping, great places to stay and dine, and exiting excursions.

The 5-star Ece Saray Hotel is suited right at the Ece Marina, and offers a high quality stay. Visit Fethiye town for shopping, and a must do is having a traditional Turkish bath at the old hamam.

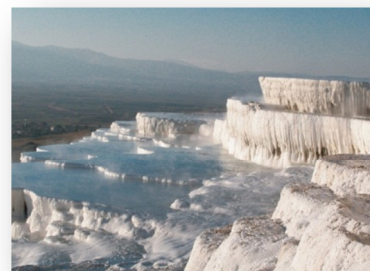

From Fethiye we arrange a full day excursion to ancient Tlos, including lunch at Yaka Park Mountain Restaurant, and a visit to the Saklikent Gorge. Before returning to Fethiye we have a late afternoon swim from the crystal white beach of Ölüdeniz.

IstanbulEast meeting West

Regardless of Your choice of Blue Cruise experience is the **Magic Adventure** or the **Exclusive Explorer** we are looking forward to give you a short but great Istanbul tour included. Istanbul is modern and ancient, it is East and West, Sea and City, it is art and beauty, fine dining, and small rustic teashops, it is fashion fairs and open air markets, and she never ever sleeps.

Your needs for accommodation will be met in the most polity way by the staff of Polat Renaissance Hotel/Marriott (or equivalent). Our local Turkish professional guide will accompany us, while we explore the mythic Blue Mosque, and the elegance of the Topkapi Palace, headquarters of the 600 years of Osman Empire. Shopping in the famous old Bazar and sailing on the strait of Bosphorus are also options to be taken into consideration. In a short stay it is impossible to discover everything there is to see, so this stay is actually just an appetizer for more to come. For an evening of entertainment we offer a show of Turkish traditional music and dances.

A day trip to Greek Island of Rhodes: (only available on Exclusive Explorer 10 nights/11 days):

From Fethiye we are happy to be able to arrange an interesting day trip to the Greek Island of Rhodes. We depart from Fethiye with a high-speed catamaran shortly after an early breakfast, and return from Rhodes to Fethiye late afternoon.

Rhodes has an exciting history, and especially the Old Town with ancient buildings, dating back to the ages of the Crusaders. The small narrow streets are full of delightful shops, cafes and restaurants in a very welcoming, bustling and historic environment. Surrounded by massive castle walls, the inner Old City has a catching atmosphere. We will enjoy lunch at one of the best restaurants Mama Sophia, giving you an opportunity to taste Greek food of superior home cooking quality.

We will spend the day shopping and exploring before lunch, and have a relaxing break and a swim at the beach after our meal, before returning to Fethiye.
